Wiscasset Family Health

Position Title: Full Time Nurse Practitioner or Physician Assistant

Employer: Wiscasset Family Health

Employer Description: Independent, physician owned family medicine practice operating in mid-coast Maine for more than 40 years. Practice setting on the banks of the Sheepscot River in downtown district of historic Wiscasset.

Location: Wiscasset, Maine

Job Description: Are you passionate about Family Medicine and worried about finding work/life balance? We are a private practice situated downtown, overlooking the Sheepscot River in Wiscasset. Seeking a dynamic, qualified NP/PA to join our supportive and collaborative team. We provide evidence based primary care to our community and cultivate curiosity about medicine for our own endurance in this challenging field.

Ideal candidates will get to participate in all aspects of primary care, building your own panel of patients across the age spectrum, managing chronic and acute conditions while being encouraged to pursue areas of particular clinical and procedural interest. We have been innovative with our schedule and enjoy extended patient visits. Reimbursement is a salary based, non-RVU model. In addition to our broad range of primary care service, we also have an onsite LCSW, physical therapy, pharmacy and lab. There are no nights or weekend clinical requirements, although a telephone based on call schedule is shared.

Job Requirements:

- Current valid license as a NP or PA in the State of Maine
- Active DEA license
- Three years experience preferred

Compensation:

- Competitive Salary based on experience
- Flexible hours with generous time off
- Comprehensive benefits including 401k, health & malpractice insurance
- PTO and CME allowance
